

Quick Installation Guide V1.0.0

- Please make sure the mounting surface is strong enough to hold at least three times of the camera weight.
- Keep the protection film on the dome before installation and adjustment finished to avoid possible scratch.

For wooden mounting surface, expansion bolts are optional.

Model A

Model B and Model C

Model B and C have the same structure but different layout of IR LEDs.

Model D

Model E

Model F

Model G

Model H

Model I

Model J

Model K

Model L

Model M
