

<b>Pole Mount</b>	<b>Junction Mount</b>
PFA130-E+PFA152-E	PFA130-E
 A technical line drawing showing a camera assembly mounted on a vertical pole. The camera is a rectangular unit with a lens on the front, connected to a circular mounting bracket. The bracket has two curved arms that wrap around the pole to secure it. The pole is a simple vertical cylinder.	 A technical line drawing showing a camera assembly mounted on a flat surface. The camera is a rectangular unit with a lens on the front, connected to a circular mounting bracket. The bracket has a flat base that fits against the surface of the junction box. The junction box is represented as a flat rectangular plate.
